

SELECTION CRITERIA - ALL ARMY BOXING TRIAL CAMP SELECTION CRITERIA

- ❖ Credentials must reflect as a minimum those basic skills that would enable development in a three-four week period prior to competing at All Army and higher-level competition.
- ❖ To better ensure team representation at all eleven weight classes, while staying within the authorized 36 men and 10 women selection ceiling, a maximum of four per weight class will be placed into a higher selection consideration.
- ❖ Priority consideration will be afforded the Soldier with longer ETS whose NGB Passbook reflects competition at local level and assigned to those communities affording competent coaching to enhance skills on a year around basis.
- ❖ An experience factor that better ensures safety and welfare of the Soldier boxer.
- ❖ Economics: This is a Trial Camp - not a Training Camp; individuals whose credentials cannot be validated will not receive priority consideration.
- ❖ Neat, thorough, and timely application presentation (DA Fm 2762-R) with required Certificate of Amateurism (DA Fm 4763-R), Medical Exam, and verification of Dental Fitted Mouthpiece; application must be validated by Community Sports and Fitness Office.
- ❖ The Coach will screen all applications and make recommendations for selection.
